

## I Don't Want a New Lease on Life

“The Lies We Believe” Nobly unpacks the lies people tell themselves that damage emotional health, relationship standing, and soul strength. People tell themselves that damage emotional health, relationship standing, and soul strength. The book should come with a free leather couch because it’s therapy on printed sheets. He skillfully compartmentalizes into 5 different sections.

- First there are lies we tell ourselves like YOU MUST BE Perfect! Any hint of imperfection either physically or behaviorally makes deep deposits into our insecurity. I’m favored flawed and all.
- Another section is on worldly lies that intimates LIFE should be easy. Nobody said the road should be easy, but I don’t believe he brought me this far to leave me!
- Then there’s the distortion lies where we turn molehills into mountain. Everybody is jealous of me! How when you haven’t met everybody. Sticker on every GMC car rear view mirror. “objects appear much closer than they are.
- Lastly the religious lies that we have to earn Gods love and that if you live upright, they’ll be no suffering.

### Definition Of Leasing

We interpret that word to mean renting or borrowing for payment, but it comes out of the Elizabethan word “leasing” which is to lie or from leas which is false.
