40 DAY FINANCIAL FAST

**THE YEAR OF ANSWERED
PRAYER AND FINANCIAL FREEDOM**

FEBRUARY 14 – MARCH 28

DR. JAMAL BRYANT, SENIOR PASTOR

YOUR WAY TO FINANCIAL PEACE AND FREEDOM

Did you know that 59% of Americans are one paycheck from experiencing homelessness? Here's a better question: Do you desire financial stability? Do you long to see God lift your loved ones out of financial hardship? Do you want to leave a legacy? If so, let's enhance our prayers with action; let's adopt improved financial practices and the Financial 40-Day Fast. Just as fasting deepens our connection with God, financial fasting operates similarly. Together, they create a holistic sense of well-being, allowing you to navigate life's challenges with resilience, pursue meaningful goals, and experience contentment in spiritual dimensions and material gain. We believe through prayer and improved money management, we create opportunities to secure the life you deserve, as well as for future generations in your lineage and alleviate financial burdens. This fast is suitable for all ages, young and old. It's never too early or too late to position yourself for prosperity.

FINANCIAL DISCIPLINE

PRAY: Daily for God to give you direction in managing your finances.

READ: Books, blogs, and websites on financial empowerment.

SET FINANCIAL GOALS: Work toward paying down your highest bill first.

MAKE A COMMITMENT: Open up a savings account or deposit money into your existing savings account every pay period.

SAVE: \$5.00 a day or \$500.00 a week.

PREPARE: A weekly budget for your household (only spend what you plan for).

TRACK YOUR SPENDING: Write down all expenses (include everything i.e., gas, coffee, lunch, etc.) – you will be surprised as to how much you spend in a week on these items.

COOK: Meals at home (as much as possible) – Limit dining out.

AVOID: Using Credit Cards.

STAY AWAY: From Payday Loans & Check – Cashing Stores.

DO NOT: Go to the Mall.

NO: Online Shopping.

INVEST: In your children's future...research ways to help your children understand fiscal responsibility and put them on a financial plan.

EXPECT: Your "net worth" to grow, your "faith" to be stretched, and your "financial seeds" to reap a harvest!
