WELCOME TO REINVIGORATE: RADIANT

Dear Beautiful Woman,

It's almost time! As you pack your bags, prepare to board your flight, and make your way to the beautiful Dominican Republic, I want you to pause for a moment and take in what this moment represents.

You said yes.

Yes, to stepping away.

Yes, to slowing down.

Yes, to being poured into.

Yes, to laughter, connection, reflection, celebration, and sisterhood.

And most importantly, Yes to Yourself.

This retreat was created as an intentional space for women to breathe, reconnect, and remember the brilliance that already lives within them. Our theme, Radiant, is a reminder that your light was never meant to be hidden. Radiance is not simply about how you look. It is about how you feel when you are fully connected to who you are. It is confidence. It is peace. It is joy. It is authenticity. It is walking boldly in your purpose while still giving yourself permission to rest, receive, and simply be.

Over the course of our time together, you will have opportunities to relax, celebrate, explore, reflect, laugh, learn, and connect with an incredible community of women. And while this packet contains the details you need for your journey, I encourage you not to look at it simply as an itinerary. Think of it as your first glimpse into the experience. There will be moments that are planned—and moments that simply unfold.

So, as you prepare, I want you to do more than pack your suitcase. Pack your openness. Pack your willingness to laugh a little louder. Pack your desire to connect. Pack your permission to rest. Pack your courage to release what no longer serves you. Come as you are and be prepared to leave feeling reinvigorated.

I am so excited to share this experience with you and to witness what happens when a room full of phenomenal women give themselves permission to pause, reconnect, and shine. The Dominican Republic is waiting. Your sisterhood is waiting. And this next chapter of your journey is waiting.

With love and anticipation,

Dr. Kari Bryant
