A LETTER FROM OUR FIRST LADY

Welcome, BEAUTIFUL SISTER!

It is my honor and joy to welcome every woman of New Birth to RADIANT this September. You are here for such a time as this.

This month is a sacred invitation to draw closer to God, to be refreshed in His presence, and to be reminded of who you are in Him. Throughout September, may this devotional journey meet you right where you are and lead you deeper into His light.

As you move through each day, I pray you will be **refreshed**, **realigned**, and **reminded** that God's hand is upon your life. You are **radiant**—not because of your circumstances, but because His glory shines within you.

May this month be filled with powerful teaching, authentic sisterhood, meaningful reflection, and unforgettable moments with God. Let every page, every prayer, and every encounter strengthen your faith and stir your purpose.

Come expectant throughout the month of September. Return daily, lean in fully, and allow *God to do something beautiful in you.*

With love and anticipation,

Dr. Karri
